## ABSTRACT

**Noviyanti, 18090008.A Psychoanalysis Study: Defense Mechanism of Forrest's Ego in Forrest Gump Film.** Supervisors (1) Merry Rullyanti, M.Pd, , (2) Ami Pradana, M.Pd. English Literature Study Program, Faculty of Teacher Training and Education, Dehasen University Bengkulu.

*This study discusses the ego defense mechanism in the film "Forrest Gump". This research has two objectives. (1) To find the main character's ego defense type in the movie "Forrest Gump". (2) To show what factors cause ego defense in the film "Forrest Gump". This study used descriptive qualitative method. This relates to the description of the data in the form of conversations in the film. The analysis in this study uses the analysis of Spradley's and the theory of Sigmund Freud. The results of this study indicate that there are five forms of ego defense found, namely, repression, sublimation, projection, rationalization, and regression. In addition, there are three factors that cause ego defense in the film "Forrest Gump" namely, anxiety factors, conflict factors, and stress factors.*

*Keywords: Film, Psychoanalysis study, Ego of defense mechanism, Forrest Gump.*

## ABSTRAK

**Noviyanti, 18090008. A Psychoanalysis Study: Defense Mechanism of Forrest's Ego in Forrest Gump Film.** Pembimbing (1) Merry Rullyanti, M.Pd, , (2) Ami Pradana, M.Pd. Prodi Sastra Inggris, Fakultas Keguruan dan Ilmu Pendidikan , Universitas Dehasen Bengkulu.

*Penelitian ini membahas tentang mekanisme pertahanan ego dalam film "Forrest Gump" . Penelitian ini memiliki dua tujuan. (1) Untuk menemukan tipe pertahanan ego tokoh utama dalam film "Forrest Gump". (2) Untuk menunjukkan faktor apa saja yang menyebabkan terjadinya pertahanan ego dalam film " Forrest Gump ". Penelitian ini menggunakan metode deskriptif kualitatif. Hal ini berkaitan dengan deskripsi data dalam bentuk percakapan yang ada dalam film. Analisis pada penelitian ini menggunakan analisis dari Spradley's dan teori dari Sigmund Freud. Hasil dari penelitian ini menunjukkan bahwa ada lima bentuk pertahanan ego yang ditemukan yaitu, Represi, sublimasi, proyeksi, rationalization, dan regression. Selain itu ada tiga faktor yang menyebabkan pertahanan ego dalam film " Forrest Gump " yaitu, faktor anxiety, faktor conflict, dan faktor stress.*
